## + SUMMARY

I am currently pursuing a degree in Computer Engineering at the Kathmandu Institute of Technology in Kathmandu, Tokha. Throughout my studies, I have completed several independent projects, which can be viewed on my GitHub profile. My areas of expertise include HTML, CSS, Vanilla JavaScript, TypeScript, Bootstrap, Tailwind, MERN technology, Three.js, and Git. I am continuously striving to expand my knowledge and skills in web development.

## + EDUCATION

### Diploma In Computer Engineering

Kathmandu Institute of Technology / Kathmandu / June, 2020  
- Present

I am currently studying at the Kathmandu Institute of Technology, with excellent academic performance, and actively involved as the Vice President of the college's IT club, where I lead and mentor peers in web development. My education, experience, leadership skills and academic performance make me a strong candidate for an internship opportunity

## + WORK EXPERIENCE

### Searching For Intern as Web developer

I believe that my knowledge and skills in web development are sufficient to qualify me for an internship opportunity. While I do not have any prior work experience, I have been actively involved in the IT club at my college, where I currently hold the position of Vice President. This experience has allowed me to gain valuable skills such as teamwork and leadership, which I believe will be beneficial in a professional setting.
